Live the culture!

Foreign language teachers, get your passports ready and experience the culture of the language you teach.

The Endeavour Language Teacher Fellowships (ELTF) are an opportunity for you as a practising language teacher or trainee (pre-service) language teacher to improve your language skills and experience the culture you love and teach through a short-term study program in one of nine countries.

As part of the ELTF you will:

- Improve your knowledge, skills and understanding of the language and culture
- Develop a network of fellow language teachers from throughout Australia
- Strengthen linkages between your school and other countries

What will we do?

If successful, in January 2011 you will spend three weeks in language training and taking part in cultural activities; visiting attractions, meeting local people and experiencing language immersion in everyday life.

Where can I go?

In 2011, these are the countries you can apply to visit:
